recommends, maybe ~~credited~~ met from the balance of ₹549-1-4 in the accounts of the Lower Secondary Examination.

67. The expenditure has to be met from the budget allotment for the year 1898-99, i.e, after 1st April next. The provision made for charges connected with these two Examinations is ₹ 2000/- Detailed Sanctioned Estimates have not been received, but from the Govt of India's Orders in Sd No 15-A. of file No. 326/97, it would appear that the provision has not been interfered with.

68. If Mr. Marsden's proposal be approved, the bill would be countersigned & the remuneration proposed sanctioned, but ~~those details~~ the detailed Sanctioned Estimates may perhaps be awaited.

73 As regards this I have spoken to Mr Marsden. What he has to do is to propose stipends for Chairman & members acc[o] to existing rules, it being remembered that some Rs 1383/- (after deducting contingencies) are available Mr Marsden says that his proposals will be much the same as at S. 15 & for this reason wants personal interview with Resr - We may await Resr's orders on main file KSE 15-7-

Rd. Hl.
22-7-98.

76. See file 293 of '92. The proposed expenditure on this & the other Exams does not exceed the actual receipts yet this shows not exceed the budget provision. If this do at present, then it seems to me that some items should be reduced so as to equalise budget provision

Rd 24/7

77. The item of Rs. 30/- for a boat for Examiners has been reduced to Rs. 18/- please see linked file 293 of '92
